ABOUT THE COLLEGE

Shivalik College of Education is situated at Mustafabad Jattan, P.O. Babehali, Gurdaspur (Punjab). The College is approved by NCTE, Jaipur and S.C.E.R.T. Punjab for D.El.Ed and is affiliated to Guru Nanak Dev University, Amritsar for B.Ed. It is a matter of pride that Shivalik College of Education (E.T.T) is the first Educational College in Gurdaspur district and approved by Punjab Govt. The Shivalik College of Education has been accredited with B+ grade by NAAC in February 2017. The college is situated at a calm and quiet place which is perfect for the grooming of the teacher trainees. The fragrance of eucalyptus trees in the college garden soothes the sensory organs. The pleasant atmosphere of the college is very conducive to learning. The college has a compact and beautiful building with spacious and well ventilated rooms. The college has built up an excellent academic infrastructure in the form of well equipped, modernized psychology, technology, Science, Computer labs and a seminar hall with latest audiovisual facility required for conferencing with distant places. The well qualified and dedicated staff makes every endeavour to create an atmosphere most conducive to inculcate virtues like sense of duty, determination and sincerity among teacher trainees. The National Seminar on "Rehabilitation of Teacher Education –" A Challenge" is a step further in this direction.

ABOUT GERA

3. To conduct workshop, seminars, conferences etc.
4. To disseminate findings of research.
5. To publish journals, monographs and other types of literature on educational research.
6. To co-operate with organizations engaged in educational research.
7. To carry out all such other activities as may be conducive to the attainment of the above objectives.

ABOUT THE SEMINAR

"Education means training for the country and love for the nation,"

Kautilya

Education is considered the backbone of any society and is accepted as fundamental right of every individual of a knowledge society. The country has to address the need of supplying well qualified and professionally trained teachers in large number in the coming years due to implementation of RTE Act in letter and spirit. The quality of education depends upon the quality of teachers. The teacher is the backbone of the education system, the maker of mankind and the architect of the society. It is well known that the quality and extent of student achievement are determined primarily by teacher competence, sensitivity and teacher motivation. Teacher education holds the most crucial position in the education system today. The main purpose of the seminar is to deal with some of the most important issues of Teacher education like: To set the avenues for prospective teacher education; To discuss issues and problems of teacher education in the present times; To discuss the role of various educational bodies in teacher education; To identify the ways & resources for strengthening educational leadership; To decide the professional ethics for Teacher & Teacher Educators; To highlight certain innovative practices to ensure better teaching learning; To explore the status of teacher education in private and government sector; To discuss the role & responsibilities of NCTE and QCI in teacher education; To create awareness among the academicians students and educationists regarding importance and relevance of teacher education; To work out the strategies for strengthening the Teacher Education; To develop the new avenues of thoughts in Teacher education; To disseminate the knowledge of upcoming areas of Teacher education.
